Why Would My Bible Fall Apart In The First Place?

Bibles are prone to falling apart for two reasons. First, they're large volumes, usually containing around two-thousand pages. This means the pages tend to be extremely thin, which makes the binding more fragile. Second, Bibles are read often. Few books are opened as often as your Bible. These two reasons may lead to a Bible falling apart over time, even when crafted with quality materials.

Can I Purchase ForeverCare For A Bible Given Or Recieved As A Gift?

ForeverCare can be added to any Bible within 60 days of the purchase date—even Bibles given as gifts! If you don't add ForeverCare to a gifted Bible, the recipient can add it themselves within the 60 day time frame by contacting us by email at help@scriptura.co
